

Youth Hunting Day Field Marshal Safety List

- 1 Muzzle control (keep muzzle pointed in a safe direction always)
- 2 Safety on at all time unless in the act of shooting
- 3 No more than two shells in a gun
- 4 Mentor to stay close to the youth while hunting
- 5 Mentor to carry all extra ammunition for youths
- 6 No shooting birds on the ground
- 7 Let the bird get up in the air and clear of the dog before shooting
- 8 If the Marshal or the dog handler sees an unsafe situation they will yell “Don’t Shoot”
The Youth should bring his or her gun down to the ready position “immediately”
- 9 Anyone not abiding by the rules may be asked to leave
